

How to Pay Rent/Application/Pet Fee with Venmo

Step 1

Sign up for Venmo on their website (Venmo.com) or on their iPhone/Android App. **Make sure to sign up with a checking account so no fees are charged. Signing up with a credit or debit card will incur fees.**

Venmo will ask you to verify your checking account by logging in and entering two amounts of money that they deposited in your checking account. **This process can take up to 3 business days to complete, so please allow enough time!**

Step 2

Click the "Pay" button

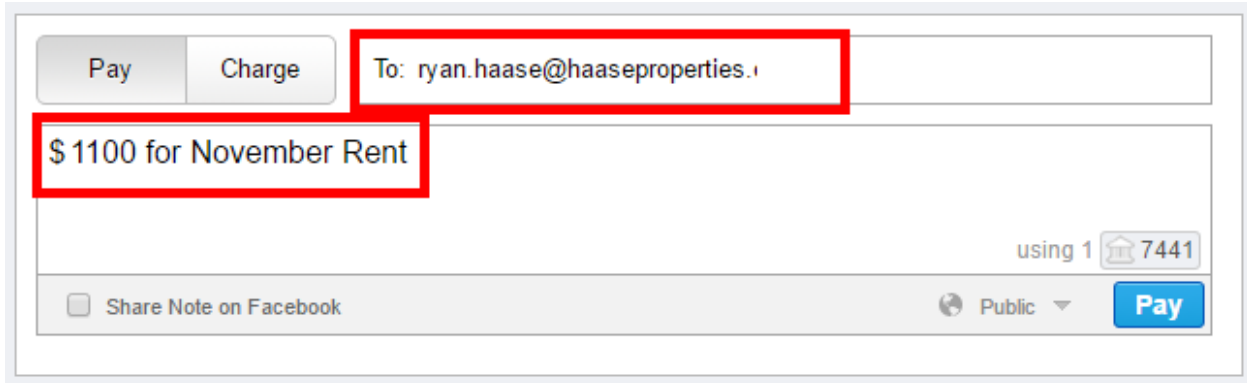

The image shows a close-up of the Venmo payment interface. At the top, there are two buttons: 'Pay' (highlighted with a red border) and 'Charge'. Below these buttons is a 'To:' field with a placeholder text 'Type a friend's name, email address or phone number'. The payment amount is displayed as '\$5.75 for ice cream!'. At the bottom, there is a checkbox for 'Share Note on Facebook', a dropdown menu set to 'Public', and a blue 'Pay' button.

Step 3

In the "To:" box, enter the email: **ryan.haase@haaseproperties.com**

Step 4

Enter the amount and what the payment is for and hit the blue pay button!

The screenshot shows a mobile payment interface. At the top, there are two buttons: "Pay" and "Charge". Below them is a "To:" field containing the email address "ryan.haase@haaseproperties.com". Underneath that is a text input field containing "\$ 1100 for November Rent". To the right of the text field, it says "using 1" followed by a bank icon and the number "7441". At the bottom left, there is a checkbox labeled "Share Note on Facebook". At the bottom right, there is a globe icon, the word "Public", and a blue "Pay" button.

The iPhone/Android layout is very similar
